# Your collection

**From 27 September, this will be your new bin collection calendar. For some of you this will mean you have two grey bin collections in a row at the end of September 2010.**

**A few collection days have changed (highlighted in grey). Please check to see if yours is one of them.**

If you have extra recycling, we will collect it in white or clear plastic bags and boxes along with your green (recycling) bin. We will not collect extra black (rubbish) sacks put out with your grey bin or pink rubbish sacks.

Some weeks your collections may be affected because of Bank Holidays. These weeks are circled on the calendar, with revised collections on the back page.

Occasionally bad weather, such as heavy snow or rain, may disrupt collections. If that is the case we will put regular updates on our website [www.southoxon.gov.uk](http://www.southoxon.gov.uk) so please check this or call 03000 610610 if you are not sure whether to put your bins out. Or sign up to receive a free text to let you know when to put your bins out if there are any changes. Just send a message with the word waste and your collection day to 07797 870370 and you will receive a free text the day before your collection. For example if your collection day is a Monday, send a text saying waste Monday.
